#20337 DIVINA FIG SPREAD

Crafted from Aegean figs, Divina Fig Spread is deeply fruity and complex with notes of caramel and honey. In Greece, figs are a sacred fruit and a symbol of peace and prosperity. In ancient Athens they were so highly prized that exportation was illegal.

Ingredients: Figs, pure cane sugar, fruit pectin, citric acid (acidity regulator), lactic acid (acidity regulator), ascorbic acid (antioxidant)

#20352 DIVINA SOUR CHERRY SPREAD

Divina Sour Cherry Spread has a bold, fruit-forward flavor that captures the sweetness and tartness of a perfectly ripe cherry. Its history can be traced back to Greece where it was named Cerasum (after the city of Cerasus). Today, Cerasus is known as the city of Giresun in northern Turkey. This region is widely recognized as the location from which the cherry was first exported to Europe.

Ingredients: Cherries, pure cane sugar, fruit pectin, citric acid (acidity regulator), lactic acid (acidity regulator), ascorbic acid (antioxidant)
